VOTING AT THE MEETING

Only the holders of shares of our common stock, par value \$.01 per share ("Shares"), of record at the close of business on March 25, 2008 are entitled to vote at our 2008 Annual Meeting of Shareholders. On that date, there were 192,910,680 Shares outstanding and entitled to be voted at our 2008 Annual Meeting of Shareholders. Each holder of Shares entitled to vote will have the right to one vote for each Share outstanding in his or her name on the books of SEI. See "Ownership of Shares" for information regarding the ownership of Shares by directors, nominees, officers and certain shareholders of SEI.

The Shares represented by each properly executed proxy card will be voted in the manner specified by the respective shareholder. If instructions to the contrary are not given, such Shares will be voted **FOR** the election to our Board of Directors of the nominees listed herein and **FOR** the ratification of the appointment of PwC as independent registered public accountants to examine SEI's consolidated financial statements for 2008. If any other matters are properly presented for action at the meeting, the proxy holders will vote the proxies (which confer discretionary authority to vote on such matters) in accordance with their best judgment.

In addition to proxy cards, we also offer electronic voting to all registered shareholders to enable them to direct the voting of their shares. Registered shareholders and participants in an SEI employee savings plan in the United States or Canada may submit proxies or voting instructions by telephone by dialing **1-800-690-6903**, having a copy of the proxy card available for reference and following the voice prompts. Beneficial owners of shares held through a broker, bank or nominee may submit voting instructions by telephone or via the Internet if the firm holding shares for their account offers any of these voting methods. Beneficial shareholders should refer to the instructions on how to vote provided by that firm. Please read both the Proxy Statement and the Annual Report before you cast your vote.

Should you choose to take advantage of voting via the Internet, you will have the option immediately following the casting of your vote to elect to receive future shareholder communications, including the Proxy Statement and Annual Report, electronically over the Internet. Please note that although there is no charge to vote via the Internet, there may be costs associated with accessing the Internet, such as charges from Internet access providers and telephone companies. Under the Pennsylvania Business Corporation Law, if a shareholder (including a nominee, broker, or other record owner) records the fact of abstention or fails to vote (including broker nonvotes) either in person or by proxy, such action is not considered a vote cast and will have no effect on the proposals submitted to the shareholders described in this Proxy Statement, but the shareholder will be considered present for purposes of determining a quorum.

(PROPOSAL NO. 1): ELECTION OF DIRECTORS

Our Board of Directors currently consists of nine members and is divided into three classes comprised of three directors each. One class is elected each year to hold office for a three-year term and until successors of such class are duly elected and qualified, except in the event of death, resignation, or removal of a director. At our 2008 Annual Meeting, our shareholders will be asked to vote upon the election of three nominees to the class of directors of the Company whose term expires at the 2011 Annual Meeting. The election of the three nominees will be made by a plurality of votes cast at our 2008 Annual Meeting of Shareholders. Shares represented by properly executed proxy cards in the accompanying form will be voted for such nominees in the absence of instructions to the contrary.

The Board of Directors, following the nominating process described elsewhere in this Proxy Statement, has nominated Sarah W. Blumenstein, Kathryn M. McCarthy and Henry H. Porter, Jr. for election at our 2008 Annual Meeting. Each of these nominees are currently members of the Board and each is "independent" within the meaning of Rule 4200 promulgated by The NASDAQ Stock Market, Inc. All three nominees have consented to be named and to serve if elected. We do not know of anything that would preclude these nominees from serving if elected. If, for any reason, a nominee should become unable or unwilling to stand for election as a director, either the Shares represented by all proxies authorizing votes for such nominee will be voted for the election of such other person as our Board of Directors may recommend or the number of directors to be elected at our 2008 Annual Meeting of Shareholders will be reduced accordingly.

Our Board of Directors unanimously recommends that at our 2008 Annual Meeting of Shareholders the shareholders vote FOR the election of Ms. Blumenstein, Ms. McCarthy and Mr. Porter to the class of directors whose term expires at our 2011 Annual Meeting of Shareholders

POLICY ON AUDIT COMMITTEE PRE-APPROVAL OF AUDIT AND PERMISSIBLE NON-AUDIT SERVICES OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Audit Committee is responsible for appointing, setting compensation for and overseeing the work of the independent auditors. The Audit Committee has established a policy regarding pre-approval of the retention of the independent auditors for the performance of all audit and lawfully permitted non-audit services and regarding pre-approval of the fees for such services. On an on-going basis, management communicates specific projects and categories of service for which the advance approval of the Audit Committee is requested. The Audit Committee reviews these requests and advises management if the Audit Committee approves the engagement of the independent auditors to provide these services, as well as certain fee levels for these services. On a periodic basis, management reports to the Audit Committee regarding the actual spending for such projects and services as compared to the pre-approved fee levels.

The affirmative vote of a majority of the votes cast at our 2008 Annual Meeting of Shareholders by the holders of the outstanding Shares is required for the ratification of this appointment. Our Board of Directors unanimously recommends that the shareholders vote FOR approval of this proposal.

CORPORATE GOVERNANCE

GOVERNANCE PRINCIPLES

The governance principles of our Board of Directors include the charters of our Audit Committee, Compensation Committee and Legal and Regulatory Oversight Committee, our Code of Conduct, our Complaint Procedures and Non-Retaliation Policy, and our Code of Ethics for our Senior Financial Officers. Each of these documents and various other documents embodying our governance principles, including our Code of Conduct, are published on the Corporate Governance section of our website at www.seic.com. Amendments and waivers of our Code of Ethics for our Senior Financial Officers will either be posted on our website or filed with the Securities and Exchange Commission on Form 8-K.

AFFIRMATIVE DETERMINATIONS REGARDING DIRECTOR INDEPENDENCE AND OTHER MATTERS

Our Board of Directors has determined that each of Ms. Blumenstein, Ms. McCarthy and Messrs. Porter, Lieb, Romeo, Ross and Smith, is an “independent director” as such term is defined in Rule 4200 promulgated by The NASDAQ Stock Market, Inc. In this Proxy Statement, these six directors are referred to individually as an “independent director” and collectively as the “independent directors.”

MEETINGS OF INDEPENDENT DIRECTORS

Our independent directors meet in regularly scheduled executive sessions without management present. Kathryn McCarthy is responsible for chairing the executive sessions of the Board of Directors.

BOARD AND COMMITTEE MEETINGS

Our Board of Directors held ten meetings in 2007. During the year, each director attended at least 75 percent of the meetings of our Board of Directors and of the committees on which he or she served. While we do not have a specific written policy with regard to attendance of directors at our annual meetings of shareholders, we encourage, but do not mandate, board member attendance at our annual meetings of shareholders, particularly with respect to board members who are up for election at that annual meeting. A majority of our directors attended our 2007 Annual Meeting of Shareholders. The standing committees of our Board of Directors are the Audit Committee, the Compensation Committee and the Legal and Regulatory Oversight Committee.

Our Audit Committee held ten meetings in 2007. The principal functions of the Audit Committee, which operates pursuant to a formal written charter, are to assist our Board of Directors in its oversight of the quality and integrity of our financial reporting process, and to retain, set compensation and retention terms for, terminate, oversee, and evaluate the activities of the Company’s independent auditors. The current members of the Audit Committee are Messrs. Porter and Ross and Ms. McCarthy, each of whom is an independent director. Mr. Ross has advised us that he intends to resign from the Board immediately after the 2008 Annual Meeting of Shareholders upon the election of Mr. Romeo to the Audit Committee. Our Board of Directors has determined that each of Messrs. Ross and Romeo is an “audit committee financial expert” as such term is defined in Item 401(h) of Regulation S-K promulgated by the Securities and Exchange Commission. A current copy of the charter of the Audit Committee may be viewed on the Company’s website at www.seic.com under “About SEI – Corporate Governance – Governance.”

Our Compensation Committee held four meetings in 2007. The principal function of the Compensation Committee is to administer our compensation programs, including certain stock plans and bonus and incentive plans, as well as the salaries of senior corporate officers and employment agreements between SEI and senior corporate officers. The Compensation Committee members are Messrs. Smith and Porter and Ms. McCarthy, each of whom is an independent director. A current copy of the charter of the Compensation Committee may be viewed on the Company’s website at www.seic.com under “About SEI – Corporate Governance – Governance.” The Compensation Committee establishes director and executive officer compensation in accordance with the authority granted by its charter and the Board-approved compensation plans the Committee administers. The Committee may delegate its responsibilities under limited circumstances to a subcommittee composed only of a subset of Committee members. Also, under the terms of the Board- and shareholder-approved equity compensation plans, the Committee is authorized to provide our CEO with limited authority to make stock-based awards to non-executive employees in connection with recruitment, retention, performance recognition or promotion; however, the Committee has not authorized our CEO to make any equity grants to our executive officers.

Our Legal and Regulatory Oversight Committee held two meetings in 2007. The principal function of the Legal and Regulatory Oversight Committee is to oversee our compliance with rules and regulations of the various regulatory bodies having jurisdiction over the business and operations of the Company and its subsidiaries. The members of the Legal and Regulatory Oversight Committee are Messrs. Doran, Lieb and Ross and Ms. Blumenstein. A current copy of the charter of the Legal and Regulatory Oversight Committee may be viewed on the Company's website at www.seic.com under "About SEI – Corporate Governance – Governance."

NOMINATING PROCESS

Our Board of Directors does not have a nominating committee and, accordingly, has not adopted a nominating committee charter. As established by resolution of our Board of Directors in its approval of our nominating process, nominees for election to our Board of Directors are either selected by a majority of our independent directors or recommended by a majority of our independent directors for selection by our Board of Directors. It is the view of our Board of Directors that this function has been performed effectively by our Board of Directors, and that it is not necessary for us to have a separate nominating committee or charter for this purpose.

Board candidates are considered based on various criteria, such as their broad-based business and professional skills and experiences, a global business and social perspective, concern for the long-term interests of our shareholders and personal integrity and judgment. Directors are also considered based on their diverse backgrounds and on contributions that they can make to SEI, as well as their ability to fill a current board need. In addition, directors must have time available to devote to activities of our Board of Directors and to enhance their knowledge of SEI's industry. Accordingly, while there is no exact formula, we seek to attract and retain highly qualified directors who have sufficient time to attend to their substantial duties and responsibilities to SEI.

Our Board of Directors considers recommendations for nominations from a wide variety of sources, including members of our Board of Directors, business contacts, our legal counsel, community leaders and members of our management. Our Board of Directors will also consider shareholder recommendations for director nominees that are received in a timely manner. Subject to compliance with statutory or regulatory requirements, our Board of Directors does not expect that candidates recommended by shareholders will be evaluated in a different manner than other candidates. All such recommendations should be submitted in writing to our Secretary at our principal offices (1 Freedom Valley Drive, Oaks PA 19456-1100) no later than December 14, 2007. The Board's current policy in respect of Board Nominees and Shareholder Communications may be viewed on the Company's website at www.seic.com under "About SEI – Corporate Governance – Governance."

SHAREHOLDER COMMUNICATIONS TO OUR BOARD OF DIRECTORS

Shareholders may send communications to our Board of Directors in writing, addressed to the full Board of Directors, individual directors or a specific committee of our Board of Directors, care of our Secretary, to our principal offices (1 Freedom Valley Drive, Oaks, PA 19456-1100). Our Board of Directors relies on our Secretary to forward written questions or comments to the full Board of Directors, named directors or specific committees of our Board of Directors, as appropriate. General comments or inquiries from shareholders are forwarded to the appropriate individual within SEI, as appropriate. The Board's current policy in respect of Board Nominees and Shareholder Communications may be viewed on the Company's website at www.seic.com under "About SEI – Corporate Governance – Governance."

COMPENSATION DISCUSSION & ANALYSIS

The following compensation discussion and analysis contains statements regarding future individual and company performance measures, targets and other goals. These goals are disclosed in the limited context of the Company's executive compensation program and should not be understood to be statements of management's expectations or estimates of results or other guidance. The Company specifically cautions investors not to apply these statements to other contexts.

SEI's compensation philosophy (which is intended to apply to all members of management, including SEI's Chairman and Chief Executive Officer), as implemented by the Compensation Committee, is to provide a compensation program for management that results in competitive levels of compensation and that emphasizes incentive plans and equity plans aligned with attaining SEI's annual goals and longer-term objectives. SEI believes that this approach enables SEI to attract, retain and reward highly qualified personnel and helps SEI achieve its goals.

The compensation program consists of base salary, bonuses pursuant to an annual incentive plan and grants of stock options (in addition to benefits afforded to all employees, such as healthcare insurance and stock purchase and defined contribution plans). The Compensation Committee has not retained a compensation consultant to advise it on benchmarking compensation.

The discussion below describes the Compensation Committee's compensation process for 2007.

BASE SALARIES

The Compensation Committee seeks to recommend base salaries for management employees at levels that are competitive with salaries paid to management with comparable qualifications, experience and responsibilities at companies of comparable size engaged in the same or similar businesses as SEI. Since 1992, the Compensation

Committee has minimized base salary increases. Although the Compensation Committee may recommend some base salary increases in 2008 the Compensation Committee intends that incentive compensation will continue to be a substantial portion of overall compensation. Base salaries may also be adjusted for individuals to reflect competitive job market conditions or if an employee is promoted or given increased responsibilities. In December 2007, the Compensation Committee determined to increase Mr. West's annual base salary to \$400,000, which is the first increase in Mr. West's salary since 1991. In addition, upon the appointment of Mr. Meyer to the office of Executive Vice President, his base salary was increased to \$250,000 in January 2007. None of the other named executive officers received increases in base salaries during 2007.

INCENTIVE COMPENSATION

During the first quarter of each year, the Compensation Committee reviews target performance goals that are developed by SEI's Chief Executive Officer and senior management of each business unit of SEI. The Compensation Committee uses these to set threshold and target performance goals for purposes of the annual incentive compensation plan. Goals are established at the corporate level and also at the business-unit levels. Bonus pools for achieving targets are established for business units and for senior management (including SEI's Chief Executive Officer). Each individual then is assigned a target compensation award. For 2007, this award was based on two indices: a corporate goal index and a unit goal index. There is an accelerator for performance that exceeds either the corporate or unit goals, as well as a decelerator for performance that falls short of goals. Although sales compensation continues to be based in part on a standard revenue payout, also incorporated in the computation of sales compensation are a corporate-goal index and a unit-goal index, with dampened accelerators and decelerators.

During December of each year, the Compensation Committee reviews SEI's actual performance as compared to the threshold and target goals and determines the total amount of bonuses for the year, including the bonus to be paid to SEI's Chief Executive Officer. In addition, the size of the final bonus pools may be adjusted for nonfinancial achievements, changes in the business units or other organizational changes during the year. The amount of the bonus to be paid to each member of senior management (other than SEI's Chief Executive Officer) is recommended to the Compensation Committee by the Chief Executive Officer of SEI and is subject to the approval of the Compensation Committee. These bonus recommendations and approvals reflect, in addition to SEI's overall performance, the performance of the individual's business unit and any individual achievements during the year, as well as internal and client evaluations. The amount of the bonus to be paid to SEI's Chief Executive Officer is determined by the Compensation Committee based on SEI's achievement of profitability and revenue growth goals and strategic organizational goals. In each case, the incentive compensation plan determines the starting point for these bonuses and, in most cases, reflects the amount of bonus ultimately awarded. The annual incentive compensation targets for 2007 were \$600,000 for Mr. West, \$550,000 for Mr. Ujobai and \$500,000 for each of the other named executive officers. Mr. West and Mr. Ujobai's targets were increased in 2007 from \$550,000 and \$500,000, respectively. The amounts paid to the named executive officers ranged from 95% of their target amount (in the case of Messrs. West and Ujobai) to 105% of their target amount (in the case of Mr. Meyer). The range was due primarily to the performance of the organizational business units for which the executive officer was responsible compared to the goal metrics established for those units.

For 2007, the Compensation Committee approved an incentive compensation plan based on assigning each employee an individual target compensation award. The actual award was then based on an equal weighting of the achievement of (1) the corporate goals and (2) the employee's business unit goals. The corporate goals for payment of the corporate goal component of the 2007 annual incentive awards at 100 percent of target were:

Goal	Weighting	Target
EPS	25%	\$1.32 per share
Consolidated Revenue (excluding LSV)	20%	\$1,000 million
Annualized Revenue from Sales Events During Year	35%	\$100 million
Client Losses	10%	50% of previous years losses
Global Wealth Platform	10%	Implementation of the Global Wealth Platform at HSBC's private banking group

The Committee determined that the Consolidated Revenue, Client Losses and the Global Wealth Platform Goals had been achieved but that the Sales Events and EPS Goals had not been achieved at the target amount and, accordingly reduced the corporate component of the incentive compensation payment. After applying the actual results for 2007 and the weightings to these metrics, the Compensation Committee determined that the incentive compensation payout

attributable to the corporate goal component (constituting 50% of the total incentive compensation payout) was achieved at a 96 percent level. In determining the 2007 incentive compensation awards, the Compensation Committee also considered the financial performance of the Company, including the matters described under the caption "Managements Discussion and Analysis of Financial Condition and Results of Operations" in the Company's Annual Report on Form 10-K for the year ended December 31, 2007, as well as progress on the Company's strategy.

The amounts paid to the named executive officers in respect of incentive compensation ranged from 95% of their target amount (in the case of Messrs. West and Ujobai) to 105% of their target amount (in the case of Mr. Meyer). The range was due primarily to the performance of the organizational business units for which the executive officer was responsible compared to the goal metrics established for those units.

STOCK OPTIONS

Stock option grants are viewed by the Compensation Committee as an important means of aligning the interests of management and employees with the interests of shareholders. Prior to 1992, SEI's philosophy was to grant stock options to senior management as an additional form of compensation for services rendered. In accordance with this philosophy, senior management normally would receive option grants each year, except for Mr. West, who has never received stock option grants from SEI. At the end of 1997, SEI implemented changes in its stock option plans and related plans for the purpose of encouraging long-term stock ownership by employees and to tie the vesting of stock options to SEI's financial performance. Beginning with stock options granted at the end of 1997, all of the stock options granted by the Company have performance based vesting provisions: the stock options vest at a rate of 50 percent when a specified earnings-per-share target is achieved, and the remaining 50 percent when a second, higher specified earnings-per-share target is achieved. The options granted prior to 2006 fully vest after seven years from the date of grant. Beginning in 2006, the Compensation Committee determined to eliminate this seven year vesting trigger and, as a result, options do not vest as a result of the passage of time, but solely as a result of achievement of the financial vesting targets established by the Compensation Committee at the time of grant. Option awards are generally determined by the Compensation Committee in December of each year. The Chief Executive Officer of the Company reviews with the Compensation Committee the option grants for each executive officer of the Company, other than himself, as well as the specific option grants for the other employees of the Company. The Compensation Committee then deliberates and establishes the specific option grants and finally submits these option grant amounts to the entire Board of Directors for ratification.

In 2007, the Compensation Committee approved the grant of approximately 2,753,000 options to approximately 400 employees and directors of the Company, a reduction from the 3,574,000 options granted during 2006. During 2007, the Company repurchased in open market or private transactions 7,161,000 Shares under its stock repurchase program, compared to 4,690,000 Shares repurchased during 2006 (all share figures have been adjusted to reflect the 1 for 1 stock dividend paid in June 2007).

During 2007, each named executive officer, other than Messrs. West and Ujobai, received an option grants of 30,000 shares. Mr. Ujobai received a grant of 70,000 shares in January 2007 in recognition of his responsibilities in connection with his assumption of responsibilities for the Global Private Banking segment, and a grant of 35,000 shares as part of the December 2007 grant process. Each of these options have performance based vesting provisions which provide for vesting based upon the Company's attainment of specified adjusted earnings per share thresholds.

APPLICATION OF SECTION 162(M)

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code") limits the tax deductibility by a "public company" of compensation in excess of \$1 million paid to certain of its executive officer, except to the extent that any excess compensation is "performance-based compensation within the meaning of the Code and the regulations promulgated thereunder." In connection with the above-discussed awards and payments, the Compensation Committee considered the deductibility of compensation under Section 162(m) of the Code and it is the Compensation Committee's intention to structure executive compensation to minimize the application of the deduction limitations of Section 162(m) insofar as consistent with the Compensation Committee's overall compensation objectives.

COMPENSATION COMMITTEE REPORT

Notwithstanding anything to the contrary, this Compensation Committee Report shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as amended (the "Securities Act"), or the Securities Exchange Act of 1934 as amended (the "Exchange Act") except to the extent that SEI specifically incorporates this information by reference and this information shall not be deemed filed under such Acts.

The members of the Compensation Committee consist of Thomas W. Smith (Chair), Henry H. Porter, Jr. and Kathryn M. McCarthy, each of whom is an independent director as defined in the rules of The NASDAQ Stock Market, Inc. The Committee operates under a Charter approved by the Board of Directors which states that among the purposes of the Compensation Committee are to establish and periodically review the Company's compensation philosophy and the adequacy of compensation plans and programs for executive officers and other Company employees; to establish compensation arrangements and incentive goals for executive officers and to administer compensation plans; to review the performance of the executive officers and award incentive compensation and adjust compensation arrangements as appropriate based upon performance; to review and monitor management development and succession plans and activities; and to prepare the report on executive compensation for inclusion in the Company's annual proxy statement in accordance with the Securities and Exchange Commission Rules and Regulations.

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement.

AUDIT COMMITTEE REPORT

Notwithstanding anything to the contrary, this Audit Committee Report shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act or the Exchange Act except to the extent that SEI specifically incorporate this information by reference and this information shall not be deemed filed under such Acts.

The Audit Committee of SEI's Board of Directors currently is composed of three independent directors and operates under a written charter adopted by SEI's Board of Directors that complies with the rules adopted by The NASDAQ Stock Market, Inc. The Audit Committee reviews and reassesses the adequacy of its charter on an annual basis. The members of the Audit Committee are Mr. Porter (Chair), Mr. Ross and Ms. McCarthy.

The role of the Audit Committee is to assist our Board of Directors in its oversight of the quality and integrity of SEI's financial reporting process. The Audit Committee also has sole authority, among other things, to retain, set compensation and retention terms for, terminate, oversee, and evaluate the activities of the SEI's independent auditors. Management has the primary responsibility for the financial reporting process, including the system of internal controls, and for preparation of consolidated financial statements in accordance with generally accepted accounting principles. SEI's independent auditors are responsible for auditing those financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

The Audit Committee met ten times in 2007 and held discussions with management and the independent auditors. Management represented to the Audit Committee that SEI's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The Audit Committee discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). These discussions have included a review as to the quality, not just the acceptability, of SEI's accounting principles.

SEI's independent auditors also provided to the Audit Committee the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent auditing firm that firm's independence.

Based upon the Audit Committee's discussions with management and the independent auditors and the Audit Committee's review of the representation of management and the report of the independent auditors to the Audit Committee, the Audit Committee recommended that SEI's Board of Directors include the audited consolidated financial statements in SEI's Annual Report on Form 10-K for the year ended December 31, 2007 filed with the Securities and Exchange Commission.

Audit Committee:

Henry H. Porter, Jr. (Chair)
Kathryn M. McCarthy
Howard D. Ross

OTHER MATTERS

As of the date of this Proxy Statement, management knows of no other matters to be presented for action at our 2008 Annual Meeting of Shareholders. However, if any further business should properly come before our 2008 Annual Meeting of Shareholders, the persons named as proxies in the accompanying proxy card will vote on such business in accordance with their best judgment.

COST SAVINGS INITIATIVES

Electronic Access to Proxy Materials and Annual Reports. Holders of shares registered in their name on the records of ADP may sign up to receive electronic access to the proxy materials and annual reports rather than receiving mailed copies. This option will be presented to shareholders immediately following voting via the Internet. These shareholders will receive e-mail notification when the Annual Report and Proxy Statement are available, with electronic links to access the documents (in PDF and HTML formats) on an SEI website. Enrollment for electronic access will be effective for a future annual meeting if received two weeks prior to the record date for that meeting, and remain in effect for subsequent years, unless cancelled two weeks prior to the record date for any subsequent annual meeting. Beneficial shareholders also may be able to request electronic access to proxy materials by contacting the broker, bank or nominee.

Reduce Duplicate Mailings. Eligible beneficial shareholders of record who share a single address may have received a notification that only one copy of the Annual Report and Proxy Statement will be sent to that address unless the broker, bank or nominee that provided the notification received contrary instructions from any beneficial shareholder at that address. This practice, known as "householding", is designed to reduce printing and mailing costs. If a beneficial shareholder at such an address wishes to receive a separate Annual Report or Proxy Statement this year or in the future, the shareholder may contact their respective bank, broker or nominee to request that the householding service not be applied to their shares.

Registered shareholders and shareholders of record through the Company's 401(K) Plan will have the opportunity this year to also receive householding services. You can confirm your consent to receiving this cost saving service by checking the box in the enclosed proxy card. If no response is received, an implied consent to receive householding automatically goes into effect 60 days after the date of the Annual Meeting. Once the consent is granted, should you choose to discontinue receiving householding services, you may contact ADP Investor Communication Services by telephone at: 1-(800)-542-1061 or by written letter at the following address: Householding Department, 51 Mercedes Way, Edgewood, NY 11717.

Electronic Access to Information about the Company. SEI publishes its earnings releases on its website and makes available to its shareholders the opportunity to listen to the Company's quarterly earnings calls. Shareholders are able to review these earnings releases and to participate in the calls by visiting the Company's website at www.sei.com. Our website is not part of this Proxy Statement or any of our other filings made with the Securities and Exchange Commission; References to our website address in this Proxy Statement are intended to be inactive textual references only.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our executive officers and directors and persons who own more than 10 percent of our Common Stock to file reports of ownership and changes in ownership of our Common Stock and any other equity securities with the Securities and Exchange Commission and the NASD. Executive officers, directors and persons who own more than 10 percent of our Common Stock are required by Securities and Exchange Commission regulations to furnish us with copies of all Section 16(a) forms they file.

Based solely on our review of the copies of Forms 3, 4 and 5 furnished to us, or written representations from certain reporting persons that no such Forms were required to be filed by such persons, we believe that all of our executive officers, directors and persons who own more than 10 percent of our Common Stock complied with all Section 16(a) filing requirements applicable to them during 2007, except that Mr. Porter filed one late Form 4 to report one exercise of previously reported options.

SOLICITATION OF PROXIES

The accompanying proxy card is solicited on behalf of our Board of Directors. Following the original mailing of the proxy materials, proxies may be solicited personally by our officers and employees, who will not receive additional compensation for these services. We will reimburse banks, brokerage firms, and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to beneficial owners of Shares.

PROPOSALS OF SHAREHOLDERS

Proposals that shareholders wish to have included in SEI's Proxy Statement for the 2009 Annual Meeting must be received by our Secretary at our principal offices (1 Freedom Valley Drive, Oaks, PA 19456-1100) no later than January 20, 2009.

ADDITIONAL INFORMATION

We will provide without charge to any person from whom a proxy is solicited by our Board of Directors, upon the written request of such person, a copy of our 2007 Annual Report on Form 10-K, including the financial statements and schedules thereto, required to be filed with the Securities and Exchange Commission pursuant to Rule 13a-1 under the Securities Exchange Act of 1934, as amended. Any such requests should be directed to Murray A. Louis, Vice President, at the Company's principal offices at 1 Freedom Valley Drive, Oaks, PA 19456-1100, telephone number (610) 676-1000.
